

## HOUNSLOW (2019-20) and the Maths Hub Offer

This Maths Hub will provide your school or college with **FREE CPD**. They do not offer courses—they are called Work Groups. The emphasis is on collaborative, exploratory, evidence based professional development. Read more [here](#).

### Primary Teaching for Mastery

Some schools in Hounslow have a **Primary Mastery Specialist**. This means they have had 1 or 2 years of training with the NCETM and are working with 6 or 7 other schools in order to help them on their teaching for mastery journey. Read more [here](#). 24 schools in Hounslow have worked with a Mastery Specialist, however there are still schools in Hounslow who have not. Hounslow schools can work with any specialist in any of our 6 boroughs but the school at the moment in Hounslow that has a Primary Mastery Specialist is:

Reach Academy—  
Harpreet Dhillon

## London Central and West Maths Hub

### Secondary Teaching for Mastery

We have more Secondary schools in Hounslow that have Mastery Specialists. We hope some of the schools working with the Specialists will move to be trained as Specialists themselves. Read more [here](#). The schools that have specialists in them are below in the orange boxes:

The Green School for Girls—Gwynne Arlow	The Green School for Boys—Yuvraj Nirwal
Chiswick School—Carys Hopkins	Lampton School—Ruth Williams

We are one of 37 Maths Hubs in England, working together since 2014. This programme is funded by the DfE. We support the teaching of mathematics covering the boroughs: Ealing, RBKC, LBHF, Hillingdon, Hounslow and Brent (shared with [LNCW Hub](#)).

### Other Work Groups (EYFS, Primary, Secondary and Level 3) NOT all being hosted in Hounslow but Hounslow schools can apply.

Please see the list [here](#).

We would like more projects being hosted in schools, we therefore need more Maths Leads attending projects, to then hopefully lead on one themselves in future years. We have 38 people working for the hub who could come in to your school to offer bespoke support too.

Currently we have a Primary Good Practice Network happening once a term at Reach Academy Details are [here](#).

**FOCUS: For Hounslow we would like to reach more Primary schools on the teaching for mastery programme!**
