If you are interested in leading Work Groups yourself for the hub, please read more [here](#) and get in touch with one of the Maths Hub Leads.

Currently we have a Primary Good Practice Network happening online once a term for RBKC and LBHF schools. Details will be found [here](#).

We are one of 40 Maths Hubs in England, working together since 2014. This programme is funded by the DfE.

We support the teaching of mathematics covering the boroughs: Ealing, RBKC, LBHF, Harrow

Hillingdon, Hounslow and

Brent .

COVID-19 Recovery—Many positive lessons were learnt from online collaboration during Maths Hubs' activity in 2020/21. These will be built upon in 2021/22. As the impact of the pandemic hopefully recedes, the result for Maths Hubs' work will be a blend of face-to-face activities and frequent online collaboration.
